

# Aroma Profiles & Packaging Options

## Varietals

FreshHOP

### Amarillo®

Extremely popular and now in fresh Hopzoil! The aroma is described as flowery, spicy and citrus-like with a distinct orange bouquet.

### Ahhhroma™

The Lab described this new GHR proprietary variety as "Pina Colada". Ranked #1 at CBC in whole leaf comparison samplings. Ahhhroma™ is a proprietary variety released by Glacier Hops Ranch in 2017.

### Azacca®

This highly aromatic ADHA variety is big in citrus and tropical fruit tones. Aromatic profile includes that of mango/papaya; orange; grapefruit; lemon; piney; spicy; pineapple; grassy; tropical fruit and citrus. Strong tangerine closing notes.

### Cascade

Fresh Cascade has medium intense floral and citrus with grapefruit tones. Cascade is the most popular hop in the US.

### Cashmere

Complex and intensely fruity, with strong overtones of lemon, lime, peach and melon. Secondary notes of coconut, lemongrass, candy, and herbs

### Chinook

Fresh Chinook has a heavy aroma profile of freshly sliced grapefruit / citrus, spice and pine, with an herbal, almost smoky character and spicy bouquet, plus a bit of tropical fruit.

### Centennial

A workhorse in American Aroma hops, Centennial features an aggressive citrusy hoppiness, combined with some aromatic pine and floral nose.

### Columbus (CTZ)

CTZ is most often viewed as a bittering hop, however, it has very high fresh oil content. Specific aroma descriptors include black pepper, licorice, curry and subtle citrus. Sharp and herbal, it has a surprisingly pleasant aroma.

### Dank & Stormy™ **NEW!**

Strong and complex aromas of dank cannabis, woody/herbal, fresh-cut apple/pear, cinnamon, earthy, soft citrus, soft floral (honeysuckle), with a touch of catty.

### El Dorado®

A bold, fruity aroma, that elicits notes of citrus zest, stone fruits (particularly apricots or cherries), light tropical fruits and even notes of watermelon, grass, pear and candied fruit (think Strawberry and Lemon Starburst!) Spice notes are a slight wood / mint.

### Jarrylo®

Strong tones of fruit (banana, pear, melon, orange) with spicy and grassy notes.

### Pekko®

A recent release featuring clean; floral; melon; pineapple; pears; Saaz like cucumber; mint; herbal; sage; touch of lemon

### Saaz

The classic Noble hop. Soft, pleasantly spicy and herbal with vivid woody, earthy, and dark floral character. Saaz possesses a mild but distinctively spicy, pungent quality.

## Blends

FreshHOP

### 3 C's Blend™

It's the classic IPA blend of Cascade, Centennial and Chinook...but in a fresh, intense blend of citrus, grapefruit, spice, floral with a hint of piney notes. A Hopzoil Exclusive Blend

### Ambrosia™ **NEW!**

Intense aromatic and flavor notes of tropical fruit (pineapple, mango), citrus (tangerine, lemon, orange, lime, slight grapefruit), pear and nectarines. Carmen Miranda would be proud!

### Citrus Fruitbomb™

A virtual explosion of citrusy fruit that is a blend of four distinct fruit-forward varieties...Azacca, El Dorado, Cascade and Chinook. A Hopzoil Exclusive

### Juicy Fruitbomb™

Holy New England Hazy IPA, Batman! An amazingly fruity and juicy blend of Azacca, Jarrylo, Cascade, Chinook, Cashmere and El Dorado. A Hopzoil Exclusive

### Twisted Fruitbomb™

Similar to Juicy Fruitbomb, but with a more intense twist of citrus orange and grapefruit. A Hopzoil Exclusive

## TrueHOP™ Varieties

TrueHOP

TrueHOP™ is a fractionalization and re-blending process where we bring the key oil compounds in line with what their dried and processed counterpart would be, for brewers who want to mimic an existing aromatic oil profile for an existing production beer, but still obtain all of the efficiencies of using a pure essential oil, free of biomass.

Available in Cascade, El Dorado, Chinook. Custom options available
