

Hops...the superplant that's legal in every jurisdiction.  
Member of the *Cannabacea* family.

# HOPS.

## Naturally-occurring Terpenes.

- ✓ Pure, steam-distilled essential oil made from ripe hops only at harvest time.
- ✓ Craft-Distilled fresh, right out of the field, right on the farm.
- ✓ DOUBLE the volatile oils vs. dried & processed hops used for CO2 extracts.

**PURE, naturally-occurring Terpenes, offering a synergistic or “entourage effect” to improve the health benefits of your CBD compounds.**

**High in desirable Myrcene, Caryophyllene, Humulene, Farnesene and more.  
Up to 86% naturally-occurring Myrcene!**

**No solvents ever used. Only Pure Steam.**

Non-GMO • Gluten-Free • GlobalG.A.P.-certified • SalmonSafe-certified • Kosher-certified • 100% Natural

- ✓ Legal in every global jurisdiction. Made only from hops.
- ✓ Pleasant, natural aroma and taste.
- ✓ 16 Varieties and Blends to choose from for optimal formulary matching.
- ✓ Custom, proprietary blending available
- ✓ Farm-Direct, produced right on the farm.
- ✓ Long Shelf-Life, “Best Before” date of Five Years.
- ✓ No Freezer storage required.
- ✓ No additives, no preservatives. Ever.
- ✓ Bulk quantities available.

The Oil-rich Lupulin Glands  
in ripe Hops

**The super-ingredient. An optimal addition for your formulary!**

# Hops. Not Just for Beer Anymore.
